Public Disclosure Commission

**Application Questionnaire Instructions**

The purpose of the Public Disclosure Act in chapter RCW 42.17 includes at RCW 42.17.010(3):

*"That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest."*

The form for providing disclosures of financial affairs is the F-1 Personal Financial Affairs Statement. The Act also provides for a process to seek a modification or suspension of reporting some information. RCW 42.17.370(10) states in part:

*"After hearing, by order approved and ratified by a majority of the membership of the commission, [the commission is empowered to] suspend or modify any of the reporting requirements of this chapter in a particular case if it finds that literal application of this chapter works a **manifestly unreasonable hardship** and if it also finds that the suspension or modification will not **frustrate the purposes of the chapter...***

*... Any suspension or modification shall be only to the extent necessary to substantially relieve the hardship. The commission shall act to suspend or modify any reporting requirements only if it determines that facts exist that are clear and convincing proof of the findings required under this section." (Emphasis added).*

Possible qualifications for modifications or suspensions (referred to collectively as "modifications") are found at RCW 42.17.370(10) and WAC 390-28-100. Copies of these provisions and reporting requirements are on the PDC's website at [www.pdc.wa.gov](http://www.pdc.wa.gov) under "Laws and Rules." The *Personal Financial Affairs Statement Instruction Manual* is also available on the website, under "Filer Resources – Manuals and Brochures." The Commission has also adopted Interpretations addressing modifications for certain professions and situations, and those are also available under "Laws and Rules" then "Interpretations." Modifications, if granted by the Commission, cover only one reporting period. Another application must be made in the following years if you still need a modification.

PDC staff has implemented this application procedure for filers requesting an F-1 Reporting Modification from the Commission. This is designed to provide more uniform information to the Commission from filers seeking a modification, and to enable a quicker response to possible questions about a request from the Commission at the hearing. **Please fill out this Application Questionnaire prior to having a modification request taken to the full Commission for consideration.** The blanks in this document will expand to accommodate your answers. **It is suggested that you review this entire Application Questionnaire first, before filling out your answers.**

MAR 11 2013

✓ **If you are requesting a modification, whether new or a renewal of an earlier request, please:**

- (1) **Complete or review** your filed Personal Financial Affairs Statement (PDC Form F- 1) including Supplemental attachments (*except* for the information for which you are seeking a modification – leave the relevant sections or lines blank on the F-1 form at this time);
- (2) **Answer all questions (# 1 – # 8)** on this Application Questionnaire, unless otherwise directed below,
- (3) **Sign the Certification** if you do not intend to be present at the Commission hearing on your modification request, and
- (4) **Return** this Application Questionnaire to the PDC via e-mail, mail, fax or other delivery (and also send the original of the Certification to the PDC).

- Please note, however, that while this Application Questionnaire for filers seeking a modification can be returned to the PDC in several ways, **F-1 forms cannot be filed by fax or e-mail**. See filing instructions in the *Personal Financial Affairs Statement Instruction Manual*.

✓ **Other items to consider:**

- Filers for which a PDC Interpretation may apply. As noted, the Commission has adopted Interpretations for specific filers that are requesting modifications. Those filers include attorneys, automobile dealers, judges and judicial candidates, and spouses of elected and appointed officials, and also include candidates for public office. If you qualify as a filer under an Interpretation, please review the applicable Interpretation and provide the information pursuant to the Interpretation as part of your F-1 or F-1 Supplement forms. Copies of the Interpretations are available on the PDC website at [www.pdc.wa.gov](http://www.pdc.wa.gov) under "Laws & Rules" then "Interpretations."
- Competitive disadvantage. If you are claiming a competitive disadvantage (in disclosing information), you must describe in detail the competitive environment in which the entity operates and explain how disclosure would likely affect the competitive position of the entity.

✓ **Please carefully review your F-1 and/or F-1 Supplement to ensure each form is fully completed.** Here are some commonly overlooked areas:

- Do you make the buy and sell decisions with regard to the IRA's, stocks and other securities listed as retirement or income generating assets in Section 3c of your F-1? **If the answer is YES** (if you control the buy and sell decisions) **you must identify the individual securities or mutual funds held.**
- Did you disclose all of your retirement accounts (i.e. IRA, 401 k, deferred compensation, PERS 1, 2, 3 or TRS or LEOFF, etc.)?
- Did you complete all of the questions in Section 5 of the F-1?

**Questions?** If you have questions, you may contact PDC staff at (360) 753-1111; 1-877-601-2828 (toll-free in Washington State). The PDC Fax number is: (360) 753-1112. E-mail: [pdc@pdc.wa.gov](mailto:pdc@pdc.wa.gov). The PDC address is on the last page of this form (Certification).

## Background Information

Public Disclosure Commission

Filer Name: Drew D. Hansen

Filer Office Held or Sought: House of Representatives, 23rd LD, Position 2

Date of Request: March 8, 2013

Period Covered by Request: January 1-December 31, 2012

## Questions

Please answer questions # 1 - # 8 below, unless:

- RESIDENTIAL ADDRESS. If you are seeking only nondisclosure of a residential address, answer # 1, # 4, # 6 and # 8.
- SPOUSAL SEPARATION. If you are seeking only nondisclosure of information related to your spouse based upon a recent or pending divorce or separation, or because it relates to a bona fide separate property agreement or other bona fide separate status, answer # 1, # 4, # 7 and # 8. A request for nondisclosure may be considered when such financial interest does not constitute a present or prospective source of income for you.

1. **MODIFICATION REQUEST SUMMARY.** Describe the general nature of the information you do not wish to disclose. (Examples: financial interests where reporting the name would likely adversely affect the competitive position of an entity, customer lists of a business entity or sources of compensation/income for the entity, confidential relationships, information subject to bona fide separate property agreements, personal residential address, other).

I request a renewal of the previously granted modification of the otherwise-applicable requirements for reporting sources of compensation for a law firm under the PDC's protocol for attorneys as expressed in PDC Interpretation No. 02-03 (amended March 12, 2012), which the PDC granted to me last year. As PDC Interpretation No. 02-03 provides, I am requesting permission to disclose only: (1) clients for whom I have personally done legal work, (2) clients whose interests would be significantly affected by my actions as a Representative, (3) clients who are identified as clients of the law firm on Martindale-Hubbell, the firm's website, or other promotional materials, and (4) governmental clients.

I specifically request that the PDC find, as PDC Interpretation No. 02-03 foresees, that it would create an undue hardship for me to, in addition to the categories listed above,

report clients where their identities are not on our website, Martindale-Hubbell, or promotional materials but can be discovered through examination of the other sources listed in 3(i)-(iii) of PDC Interpretation 02-03. I do not routinely (or ever) examine the sources listed in 3(i)-(iii) for the names of our firm's clients, and it would be very time-consuming for me to do so.

I am requesting this modification for sources of compensation from January 1, 2012 through December 31, 2012.

2. **UNREASONABLE HARDSHIP. Describe in detail the manifestly unreasonable hardship in disclosing the information.** Please describe in detail the reasons why you believe disclosing the information would be a hardship. The reasons stated should address the issues such as those listed below. Please address those topics below that are relevant to your specific request. For example, if you are seeking nondisclosure related to an entity, for each entity, please:

- Provide the name and description of the entity, business, union, association, not-for-profit, charitable organization, or other entity for which you are seeking a modification request from reporting the entity's disclosable customers/sources of compensation/income.

**Susman Godfrey LLP**

- Describe the size of the entity such as annual sales, number of customers or accounts, the number of employees, and other pertinent information.

**Susman Godfrey LLP is a law firm with offices in five cities and approximately 90 attorneys and just over 100 non-attorney staff.**

- Describe how many business customers or other sources paying the entity more than \$10,000 would be subject to disclosure.

**If the ordinarily applicable disclosure requirements applied, over ~~20~~ 100 persons or entities would be disclosed for January 1, 2012 through December 31, 2012.**

- Describe if you have access to information about the entity's customer base or sources of compensation/income.

**I can request our accounting department to compile this information.**

MAR 11 2013

- Describe if you are involved with the day-to-day operations of the entity. *Public Disclosure Commission*

**I practice law with Susman Godfrey LLP, but I am not a managing partner of the firm, nor am I part of the firm's Executive Committee.**

- Describe if any of the entity's customers or sources of compensation/income are already listed in other public sources or publications including advertisements, or public records.

**Yes, some of the firm's clients are identified in public records.**

- Describe if any of the entity's customers or sources of compensation/income are already listed on a website.

**Yes, some of the firm's clients are disclosed on the Susman Godfrey website. I have disclosed reportable business clients (as PDC Interpretation 02-03 uses that term) for the relevant period who are identified as clients on the Susman Godfrey website, as listed on the attached Exhibit A.**

- If the entity has a website address, list it here:  
**www.susmangodfrey.com**
- If the entity's customers or sources of compensation/income are described elsewhere on the Internet, describe why you are seeking a modification (nondisclosure) for those customers or sources of compensation/income:

**Yes, some of the firm's clients are described elsewhere on the Internet; I would expect that all clients described elsewhere on the Internet are also disclosed on the Susman Godfrey website, and I have disclosed the clients identified on the Susman Godfrey website in the attached Exhibit A.**

[Note: along with other information provided in the Application Questionnaire, Internet information regarding entities/sources of compensation/income may be reviewed by PDC staff and/or the Commission as part of the modification process.]

- Describe if the entity has the ability to sort its customer list or sources of compensation/income to identify those paying the entity more than \$10,000 during the reporting period.

**Yes**

- Describe if you disclosed all of the governmental customers or governmental sources of compensation/income that paid the entity more than \$10,000 in the reporting period.

**Yes**

- Indicate whether you have an ownership interest of 10% or more in the entity.

MAR 11 2013

Public Disclosure Commission

No

- Indicate whether your spouse's interest in an entity requires you to complete an F-1 Supplement for that entity.

No

- Describe other relevant information you believe the Commission should consider as to why it would be a manifestly unreasonable hardship if the information was required to be disclosed.

I do not perform any legal work for the overwhelming majority of the clients of Susman Godfrey LLP. I am not a managing partner of the firm, nor do I serve on the firm's Executive Committee. My service on the Washington State Legislature will not significantly affect the interests of many (perhaps most) of our firm's clients, particularly as many of our clients are outside of Washington state.

Point 3 of PDC Interpretation 02-03 states that the PDC may find it creates an unreasonable hardship to disclose reportable business clients when (i) their identities are referenced in documents open for public inspection, including documents in courts, (ii) their identities are disclosed in documents made available for public inspection in open public meetings, (iii) identities are public knowledge in other similar public forums. It is, in theory, possible for me to find out whether particular clients have been disclosed as firm clients publicly in the various ways that PDC Interpretation 02-03 anticipates—for example, by examining court records or by querying each of my law partners individually about the particulars of specific engagements. But I respectfully submit that it would create an unreasonable hardship for me to go through this exercise: it would be enormously time-consuming and serve very little purpose when I have already disclosed all the clients whose relationship with our firm is public on our website. I therefore request that the PDC find that it would create an undue hardship for me to make this disclosure. The modified disclosure envisioned by PDC Interpretation 02-03 serves the purposes of the Disclosure Act while guarding against unreasonable hardship.

3. **NOT FRUSTRATE THE PURPOSES OF THE ACT.** Describe how allowing you to not disclose the information described in your modification request does not frustrate the purposes of the Public Disclosure Act.

The modification I seek is precisely the type of modification anticipated by PDC Interpretation No. 02-03. The purposes of the Act include ensuring the public's access to information about potential conflicts of interest. PDC Interpretation 02-03 furthers this purpose by requiring disclosure of (1) clients for whom I have personally done legal work, (2) clients whose interests would be significantly affected by my actions as a Representative, (3) clients who are identified as such on our firm's website, Martindale-Hubbell, or other promotional material, (4) governmental clients. PDC Interpretation 02-03 rests on the proposition that disclosure of clients in these categories adequately fulfills the purposes of the Act, and I have disclosed these reportable business clients in the attached Exhibit A.

4. **DUTIES.** Describe your duties as an elected or appointed official. Please describe the jurisdiction or agency for which you hold public office, and the duties performed by you as a public official (examples: adopting rules or ordinances, hiring staff, approving contracts, setting policy, etc.). Please provide as much description as possible.

I represent the 23rd Legislative District in the Washington State House of Representatives, and perform the duties associated with that office.

5. **CUSTOMERS OR SOURCES OF COMPENSATION/INCOME.** If you are seeking a modification related to a particular entity's reportable customers or sources of compensation/income for an entity, describe:

- In detail the position you hold in the entity (examples: owner, board member, officer, partner, etc.) and the duties performed by you for that entity, if any (examples: setting policy, hiring, approving contracts, approving budgets, etc.). Please provide as much description as possible.

I am a partner with Susman Godfrey LLP; however, I am neither a managing partner of the firm nor a member of the firm's Executive Committee.

- If you (or if you are seeking office, will you) make any decisions as a public official that may benefit the customers of the entity for which you are seeking a modification, or sources of compensation/income for the entity for which you are seeking a modification?

**No; clients whose interests could be significantly affected by my actions as a Representative (if any) are disclosed in the attached Exhibit A, as provided in PDC Interpretation 02-03.**

6. **RESIDENTIAL ADDRESS.** Are you requesting to be exempted from disclosing the address of your personal residence in the Real Estate Section of the F-1? In this situation, you or your spouse may be a law enforcement officer, prosecutor, judge, or other official, and the disclosure of the address of your primary residence on the F-1 form could cause you or your family harm, based upon tangible evidence or a specific threat. If so, please explain in detail the **manifestly unreasonable hardship** if disclosure were required, and **why the purposes of the act would not be frustrated** if disclosure of the address was not required. If nondisclosure is based upon an anti-harassment or similar court order, please state.

N/A

7. **SPOUSAL SEPARATION.** Are you requesting to be exempted from disclosing information related to your spouse based on a pending or recent divorce or separation, or bona fide separate property agreement or other bona fide separate status? In this situation, the filer has little or no knowledge of spouse's or former spouse's income, assets, liabilities or relationship to outside entities for which reporting may be required. (For example, do you file separate income tax returns?) The filer does not have access to spouse's or former spouse's financial information. The financial interest of the spouse or former spouse does not constitute a present or prospective source of income for the filer. If this is your situation, please describe.

N/A

8. **OTHER INFORMATION.** Is there any other information you want the Commission to consider regarding your modification request? (If you are attaching any information or documents, please describe attachments.)

Attached as Exhibit A is the list of clients who I propose to disclose pursuant to this modification request, following the guidelines in PDC Interpretation 02-03.

BEFORE THE PUBLIC DISCLOSURE COMMISSION  
OF THE STATE OF WASHINGTON

IN THE MATTER OF THE APPLICATION )	PDC No. 3074
OF DREW HANSEN FOR A )	CORRECTED
REPORTING MODIFICATION )	Findings, Conclusions
_____ )	and Order

On June 28, 2012, the application of Drew Hansen, 5719 Ward Avenue Northeast, Bainbridge Island, Washington 98110, for a modification of the reporting requirements of RCW 42.17.241<sup>1</sup> was brought before the Public Disclosure Commission.

Consideration of the request was made pursuant to RCW 42.17A.120<sup>2</sup> and chapter 390-28 WAC by the Commission. The proceedings were held in Room 206, Evergreen Plaza Building, 711 Capitol Way, Olympia, Washington, 98504. The applicant, Drew Hansen, participated in the hearing and submitted a modification application. He requested a reporting modification that would exempt him from disclosing on his Personal Financial Affairs Statement the business customers that paid \$10,000 or more during 2011 to Susman Godfrey LLP, a law firm with which he is an attorney and a partner.

FINDINGS OF FACT

Based upon the testimony and Modification Application, the Commission makes the following Findings of Fact:

1. Mr. Hansen has not previously been granted the requested reporting modification.
2. Mr. Hansen was appointed as a State Representative for the 23<sup>rd</sup> Legislative District and is a 2012 candidate for the position.
3. Mr. Hansen is an attorney with Susman Godfrey, LLP. The firm has offices in five cities (Dallas, Houston, Seattle, New York, Los Angeles) with approximately 90 attorneys and 100 non-attorney staff. He is not a managing partner or part of the firm's Executive Committee.
4. In September 2011, Mr. Hansen was appointed as a State Representative. He filed his F-1 on October 3, 2011 which covered the reporting period of September 2010 through September 2011. Along with his F-1, he filed an F-1 Supplement for Susman Godfrey. He attached a list of the firm's reportable customers for the period.
5. In April 2012, Mr. Hansen filed an F1A (short form), for his annual report. He included an additional list of the firm's clients to supplement the list of the firm's clients which he filed in October 2011. The additional list of clients included reportable customers of the firm between September 2011 and December 2011.

<sup>1</sup> RCW 42.17.241 now codified at RCW 42.17A.710 (effective January 1, 2012).

<sup>2</sup> RCW 42.17A.120 (effective January 1, 2012) formerly codified at RCW 42.17.370(10).

6. Mr. Hansen stated that he does not perform any legal work for a majority of the firm's clients. He stated that his service in the Washington State Legislature does not affect most of the firm's clients since many of the clients are located outside of Washington. He stated that he disclosed those clients of the firm whose interests could be affected by his actions as a State Representative.
7. Mr. Hansen provided a list disclosing his clients, clients whose interests would be significantly affected by his actions as a State Representative, clients who are identified in court files or other public sources, and the firm's governmental clients.
8. Mr. Hansen stated that there were three reportable customers of the firm which he is requesting to be exempt from disclosing. He said these clients have retained the services of the law firm with the expectation that their relationship be kept confidential because of the danger that public disclosure of the engagement would jeopardize the competitive position or business relationships of the clients. He indicated that he does not personally perform work for these clients.
9. Mr. Hansen said that the firm handles many issues, including anti-trust and patent issues. He said that, for example, a client has retained the firm in order to obtain a patent but if the client's business partners become aware that he has retained legal counsel, they would know why and it would jeopardize the client's business relationships.

#### CONCLUSIONS OF LAW

Having made these Findings of Fact, the Commission makes the following Conclusions of Law:

1. Literal compliance with all the provisions of the reporting requirements of RCW 42.17.241<sup>3</sup> would work a manifestly unreasonable hardship on the applicant.
2. Limited suspension or modification of the reporting requirements as specified in the Order would not frustrate the purposes of the Act in this particular case.

#### ORDER

Having made these Findings of Fact and Conclusions of Law, the Commission issues the following Order:

For the Statement of Personal Financial Affairs required to be filed with the Public Disclosure Commission between January 1 and April 16, 2012:

1. The applicant may satisfy the reporting requirements of RCW 42.17.241(1)(g)(ii)<sup>3</sup> by identifying for the appropriate reporting period:
  - a. The name of the reportable business clients<sup>4</sup> of the law firm for whom the applicant has done legal work<sup>5</sup>;

<sup>3</sup> RCW 42.17.241 now codified at RCW 42.17A.710 (effective January 1, 2012).

<sup>4</sup> Reportable business clients are nonindividuals providing compensation of \$10,000 or more during the reporting period.

<sup>5</sup> Ordinarily, the identity of a client does not fall within the purview of the information protected by the attorney-client privilege unless there is a "strong probability" that the disclosure would convey the substance of a confidential communication between client and attorney. *Splash Design, Inc. v. - b. Other reportable business clients of the law firm whose interests are significantly affected by the applicant's actions in the applicant's official capacity as a State Representative for the 23<sup>rd</sup> Legislative District when their identities become known to the applicant or the applicant becomes aware of their identities by any means;
  - c. All governmental clients that have done business with the law firm;<sup>6</sup>
  - d. The names of the reportable business clients of the law firm when the names are listed in Martindale Hubbell, the firm's publicity brochure(s), or the firm's resume, website, or similar promotional materials of the firm; or the names become known to the applicant and (i) the identities are otherwise publicized or referenced in documents open for public inspection at the courts, in administrative hearings, or at other public agencies; or, (ii) the identities have been disclosed in documents made available for public inspection at open public meetings of public agencies; or, (iii) the identities have been made a matter of public knowledge in other similar public forums.
2. In all other matters required to be reported, the applicant shall comply in full with the reporting requirements of RCW 42.17/42.17A.
