RE: Rules Development Agenda for July 2021 through January 2022

---

The Commission must prepare a biannual rules development agenda that includes the agency's anticipated rule-making for the upcoming period. RCW 34.05.314. Agendas are due by January 31 and July 31 each year to be submitted to the Code Reviser for publication in the State Register.

Staff proposes the Commission consider the following for inclusion in the rules development agenda for the period from July 2021 through January 2022:

- Procedures for Full Commission and Brief Enforcement Proceedings, Chapter 390-37 WAC.

The current enforcement rules should be evaluated for possible improvements to the processes of determining the authority and penalties in brief enforcement proceedings, and the review and reconsideration of initial and full Commission decisions.

- Commercial advertiser rules regarding digital political advertising, WAC 390-18-150.

The development of rules related to digital advertising would continue the work of the PDC over the past two years analyzing the digital advertising market and how best to serve the public interest in transparency of political advertising through digital media.

Action Requested: Staff requests the Commission adopt the attached rules development agenda for submission to the Washington State Register.
